12th Annual Gala Program

Flame Forward! Gala

WELCOME TO THE **FLAME FORWARD!** GALA

Since Tuesday, we have experienced three amazing days of Flame Forward!, we've connected and bonded, we've listened to some amazing speakers, we've worked together on planning for our future, and we've had a wonderful time together!

Now for the big fun – our annual Gala! We'll honor more of our Collaborators, honor some special friends with a new recognition, and thank our honored guests for being with us tonight.

A big piece of the 'why?' behind Flame Forward! is to give us the opportunity to honor each other, and what we have accomplished together since our last gathering – we've developed and implemented new learning strategies, and have grown immensely!

Please enjoy your evening, and take with you all you've learned and your new connections home as we continue to align and elevate ourselves, our families, and our communities.

We're looking forward to another great year with Nightingale Education Group, and I thank you again for all you've done and continue to do. Congratulations, Collaborators!

Mikhail Shneyder

The Future Is Now!

Flame Forward! Awards

Founders Club Award

Induction into the Founders Club honors collaborators who consistently exemplify the Core 7 frameworks and have made significant, pivotal and lasting contributions to Nightingale's mission fulfillment and realization of our collective vision.

I am Nightingale Award

This award recognizes collaborators that consistently embody the College's Core 7 Framework: They are passionate about the Vision, are strong contributors to the Mission, and act with Collaboration, Innovative Design, and Evolvitude.

Friend of Nursing Award

The "Friend of Nursing Award" is a distinguished honor presented by The Nightingale Education Group to individuals across the nation who have made remarkable contributions to the enhancement of nursing and healthcare. This award recognizes their exceptional leadership, innovative efforts, and dedicated advocacy, which have led to substantial improvements in nursing standards, patient care quality, and the broader healthcare landscape on a state and/or national scale.

Through their outstanding achievements, these recipients have played a pivotal role in advancing nursing education, improving legislative and regulatory policy, and strengthening patient advocacy, leaving an indelible mark on the progression of the nursing profession, and contributing significantly to improved health equity nationwide.

Evolvitude Award

This award will recognize collaborators who exemplify the basis of our culture – Evolvitude – and who demonstrate their close alignment with the principles of this framework and who help to create an environment that invites other collaborators and/or learners to live up to its tenets.

Innovative Design Award

This award is designed to recognize collaborators who made significant contributions to improvement in Nightingale's outcomes and/or processes.

Collaboration Award

This award recognizes collaborators who continually strengthen mission outcomes through deliberate and relentless cross-functional engagement with others, both internally and externally.

Wellevate! Spotlights

This category is comprised of self-submitted collaborator stories about the improvement of wellness across the eight dimensions of health.

Collaborator of the Year

This award recognizes collaborators who consistently exceed expectations and make significant contributions to the success of their respective Functions.

New Collaborator of the Year

This award recognizes collaborators in their first year of tenure at Nightingale who consistently exceed expectations and make significant contributions to the success of their respective Functions.
