GENERAL EDUCATION

GENERAL EDUCATION PROGRAMMATIC OUTCOMES

The College has developed General Education (GE) curriculum to assist every learner enrolled in undergraduate academic programs with achieving competency in each of the following eight (8) programmatic outcomes:

1. Written and Verbal Communication: Graduates will be able to choose effective language and a communication medium for a given scenario.
2. Evidence-Based Practice: Graduates will be able to assess and predict current best practices and an effective course of action given a thorough evaluation of the available evidence.
3. Intentional Learning and Reflection: Graduates will be able to evaluate their thinking and determine best practices within a quality improvement framework.
4. Decision Making and Judgment: Graduates will be able to reframe their thinking and discriminate effective from ineffective practices in a given scenario.
5. Teamwork and Collaboration: Graduates will be able to collaborate with internal and external teams effectively within a given scenario.
6. Quantitative Reasoning Skills: Graduates will be able to make accurate, evidence-based conclusions in a given scenario.
7. Human Ideals and Ethics: Graduates will be able to select an appropriate course of action given the complexities of a group in a given scenario.
8. Diversity and Engagement: Graduates will be able to facilitate a group of individuals and support the group's development of effective initiatives in a given scenario.

For each of the programmatic outcomes (GE-POs), the performance benchmark is 70% competency.
