Description:	<p>This course is one (1) of the final two (2) courses in the MSNEd Program. Learners work in this course concurrently with MSN 680: Nursing Education Capstone course to complete a program summative project to demonstrate achievement of course and program outcomes. The Nursing Education Field Experience provides the graduate learner with an opportunity to work collaboratively within the employing organization to address an identified nursing problem, need, or gap in current practices. Learners then work to promote a practice change, quality improvement, or innovation that is based on the existing evidence and best practices.</p>
