

LEARNER SUPPORT SERVICES (LSS)

LEARNER AMBASSADORS

Learner Ambassadors advocate for their fellow learners, embody the College mission, vision, and values, and encourage involvement across the learner community. Calls for applications are announced during the last month of the semester. New ambassadors are selected through an application process and are interviewed by current Learner Ambassadors and faculty/staff advisors before selection. Ambassadors are expected to maintain a minimum 2.0 grade point average. They meet regularly to discuss matters of learner interests and needs, plan learner events, and participate on the academic program Advisory Board.

For any questions about the position, learners may contact the Learner Ambassador advisor at learnerinvolvement@nightingale.edu.
