RECORDS HOLDS

This section has been updated. Please view the [Errata and Addenda](#) section of the catalog to see what was changed.

A hold will be placed on the learner's records if the account balance is not resolved by 5:00 p.m. Mountain Time on the last Friday of the add/drop period of every academic semester and will remain in place until the account balance is resolved.

Records holds may prevent learners from future course registration, program re-entry, or admission into another program within the College.
