**Study 4 – 6 hours every day!**

**Take breaks at least every hour for 15 minutes,**

**Use your resources including former study guides, textbooks, notes, assignments, your career services contact [jlowe@nightingale.edu](mailto:jlowe@nightingale.edu)**

**Additionally, use Kaplan's outline and study those topics.**

**Sign up and start studying for NCLEX within the first 2 months' post-graduation. You want to be studying continually the month up until you take NCLEX.**

**Relax, you know this stuff! You have worked hard now dig deep and believe in yourself! You got this!**
